

Harley Softail wide tire 2006 – 2010 and 155 mm tire model 2008 - 2010

Ultimate seats Installation

#1 Remove original seats from your bike.

#2 You will find an electrical accessory plug under the seat near the battery, move this plug to the position shown in the pictures to clear the seat pan.

Original location of plug

Move it to this location

#3 Your new Ultimate seats install exactly like your stock seats using the original fasteners.

#4 All the mounting brackets are already installed on your new seats.

#5 If you have the Harley chrome luggage rack that is mounted to the rear fender under the passenger seat of the Deluxe model it must be removed to install the Ultimate passenger seat, this chrome rack will not fit with our seat.

Enjoy the ride again
